Dear Mr. Ng,

This letter is in response to your letter regarding our October Quarterly Report (8/20/98 - 9/30/98).

Regarding Items 1 and 2: I have corrected the Detailed Summary Page so that it shows the correct amount of \$52,209.74. The correct figure appeared on the cover Summary Page. By correcting this figure, Item 2 was also corrected. Thus, Column B on the Detailed Summary page is now correct. The corrected page is attached.

Regarding Item 3: The incurred debt owed to A to Z Printing was incurred during the reporting period of this report. However, a bill had not yet been received from them as of the filing of the report. This amount was carried over on our Schedule D Pre-primary 12 Day Report (10/1/98 - 10/14/98 but I see that I made an error by inadvertently listing Wisconsin Right to Life, Inc. as the vendor when it should have been A to Z Printing. The debt was finally retired and is reported as such on our 30 day Post Election Report (10/15/98 - 11/23/98).

Regarding Item 4: As we have previously discussed, in 1997, our organization had completely switched to a new computer system with new programs, etc. The program for our Federal Election Commission reports was inadequate because it did not have a category for aggregate totals for the year. Our staff tried to remedy this but we finally had to resort to hiring someone to revamp our program for the reports. That has now been done and in subsequent reports, the aggregates will be shown. We apologize for this...it was frustrating for all of us here, as well.

Regarding Item 5: I would like your guidance on this, Mr. Ng. We have always reported the wages of our PAC's employees as independent expenditures because all the expenditures we make that affect candidates are in the form of independent expenditures. Perhaps
